**CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS**  
**LOWER TIER COVERED TRANSACTIONS**

1. By signing and submitting this bid or proposal, the prospective lower tier participant is providing the signed certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, GATRA may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to GATRA if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction", "debarred", "suspended", "ineligible," "lower tier covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549 (49 CFR Part 29). You may contact GATRA for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized in writing by GATRA.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "A Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction", without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List issued by U.S. General Service Administration.
8. Nothing contained in the foregoing shall be construed to require establishment of system of records in order to render in good faith the certification required by this clause. The knowledge

and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under Paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to all remedies available to the Federal Government, GATRA may pursue available remedies including suspension and/or debarment.

TO: All Service Providers

FROM: Francis J. Gay, Administrator

DATE: August 13, 1992

SUBJECT: CHAPTER 521 IMPLEMENTATION

---

Chapter 521 of the Acts of 1990, as amended by Chapter 329 of the Acts of 1991, seeks to improve the accessibility and affordability of child care for working parents.

To that end, Section 7 of the Acts specifies that, on or after July 1, 1992, no contract for goods or services of any type shall be awarded by the Commonwealth or any state authority to an employer having fifty or more full-time employees unless such employer offers its employees child care tuition assistance, on-site or near site subsidized child care placements or a "Dependent Care Assistance Program (DECAP)" established pursuant to Section 125 or 129 of the Federal Internal Revenue Code. The statute makes an explicit exception for cases of "Special Emergency" certified by the Secretary for Administration and finance to involve the health or safety of persons or property.

The Executive Office of Health and Human Services' Office for Children has promulgated regulation 162 CMR 12.000 which specifies the standards and procedures for compliance with c.521. Attached is a copy of the circular 102 CMR 12.00; MINIMUM STANDARDS FOR CHILD CARE TUITION ASSISTANCE AND ON-SITE OR NEAR SITE SUBSIDIZED CHILD CARE PLACEMENTS and a copy of the SPECIAL EMERGENCY CERTIFICATION.

Please review the enclosed material to determine how your company may be affected. If your company is in compliance with said regulation, please sign the CONTRACTOR'S CERTIFICATION and return it to the Authority along with a copy of what your company offers its employees. If your company feels that it qualifies for special emergency, please complete the certificate and return it to the Authority. A failure to comply with the requirements of c.521 may disqualify your company from doing business with the Authority and/or the Commonwealth of Massachusetts.

**COMMONWEALTH OF MASSACHUSETTS  
IMPORTANT NOTICE TO ALL VENDORS AND CONTRACTORS**

---

Chapter 521 of the Acts of 1990, as amended by Chapter 329 of the Acts of 1991, seeks to improve the accessibility and affordability of child care for working parents.

Specifically, Section 7 of the Act specifies that, on or after July 1, 1992, no contract for goods or services of any type shall be awarded by the Commonwealth or any state authority to an employer having fifty or more employees unless such employer is a qualified employer, or offers its employees child care tuition assistance, on-site or near-site subsidized child care placements or a "Dependent Care Assistance Program" (DCAP) established pursuant to Section 125 or 129 of the federal Internal Revenue code, except in cases of special emergency certified by the Secretary for Administration and Finance to involve the health or safety of persons or property.

The purpose of this notice is to give all of the Commonwealth's current and prospective vendors and contractors timely notice of the requirements of c. 521.

The Executive Office of Health and Human Services, Office for Children has promulgated regulation 102 CMR 12.00 which specifies the standards and procedures for compliance with c. 521. Note that, for many employers, a DCAP will be the most economical and administratively convenient means of complying with the requirements of c. 521. Indeed, owing to the federal tax treatment of DCAPs, implementation of a DCAP may modestly reduce your overall cost of doing business. We urge you to familiarize yourself with these regulations which are available from the State Bookstore.

A Contractor Certification of Compliance will be Incorporated In all Commonwealth contracts for the purchase of goods and services awarded on or after July 1, 1992. Failure to comply with the provisions of c. 521 or to make the required certification may cause your company to be disqualified from doing business with the Commonwealth.

Should you have any questions, please contact your procurement department's contract office or phone Donna Bonigll at the Department of Procurement and General Services (617) 727-7500 ext. 216.

## **CONTRACTORS CERTIFICATION CHILD CARE COMPLIANCE**

\_\_\_\_\_ (the Contractor) hereby certifies that it is in compliance with Chapter 521 of the Acts of 1990, as amended by Chapter 329 of the Acts of 1991, and the regulations, 102 CMR 12.00 promulgated pursuant thereto.

\_\_\_\_\_ There is a program for child care in compliance with these regulations.

\_\_\_\_\_ There are fewer than 50 full-time people employed in this company.
